**All national competitive contests rules and guidelines are found in the SkillsUSA Technical Standards. The Technical Standards and other essential workplace skills are included online with your professional membership dues at [skillsusa.org](http://skillsusa.org)**

- ❖ **State Only Contests** are either leadership or skilled. State Only Contests do not qualify to advance to National Conference to compete. Guidelines may be provide through state skillsusa office or online at [skillsusaky.org](http://skillsusaky.org)
- ❖ **Leadership Contests** requires speaking and/or presentation
- ❖ **Skilled Contests** requires demonstrating a specific skill as specified under the technical standards
- ❖ Contests Codes are to identify contest a contestant is competing in on their registration form
- ❖ Numbers after the contests name in parentheses is the number of team members required to compete in the contest. An example: Teamworks (4) would require four team members to compete in Teamworks contest. Contests with no number indicate individual contest.
- ❖ Contests Pre-held is identified as (PH)
- ❖ Contests with (NB) require a notebook as part of the contest.
- ❖ Each region is allowed various number of contestants to compete at the SkillsUSA KY Leadership & Skills Championship according to projected numbers from previous years, number of work stations available & safety. The number each region may take to compete is indicated in the column "State Contestants per Region"
- ❖ 2018 SkillsUSA Theme: Champions at Work "Job Ready Day One"
